#### **\*CALL to WORSHIP**

Worship Leader: Come and listen to the words of life and love.

**Congregation: We hear and proclaim our faith in the one who brings life.**

WL: Let us worship the God of life and wisdom whose words guide our life on the right paths.

#### **\*PRAYER OF PRAISE (Unison)**

Loving and caring God, we come this morning seeking wisdom and guidance for our lives. Open us to your words of life and love and truth. May we proclaim with our tongues what we know in our hearts. In this time of worship, help us more fully understand what it means to truly be a disciple, a follower of the way of Jesus, a follower of the path of wisdom. Amen

**\*PRAYER OF THANKSGIVING (Unison)**

God, we hear and we respond to your words of wisdom, your words of call and life. May these gifts, not only of our money, but of our very selves – our words, our thoughts, our actions – be acceptable to you and help spread your words of life and love. We lift this prayer in the name of your Son, our Lord and Savior, Jesus the Christ as we continue to use his words...

**\*THE LORD'S PRAYER**

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our sins, as we forgive those who sin against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

### **GARDENING**

Spring is rapidly approaching and with it comes the need to care for the landscaping around the church building and front sign. This is a job that requires the help of more than the current one or two people from March through September or October.

In previous years, volunteers were assigned specific sections to maintain throughout the growing season. This year we want to try a different approach. Instead of volunteering to maintain a section for the entire season (although we welcome anyone willing to do this!), we also want volunteers willing to help an hour or so wherever/whenever work is needed.

If you would like to help with landscape maintenance or want more information, please see Lyn or Martha.

### **HELP NEEDED**

The Golden Girls have finished their latest study and will be taking a 2 week hiatus from their studies. During these 2 weeks they will still be meeting on Tuesday mornings at 9 a.m.; to help Holly put kits together for Mission Central. Holly feels there may be more work than this small group can accomplish and is asking you, the congregation, to check your calendars and if you have free time to please come and help.

**FAITH WALKERS' UPCOMING FUNDRAISERS**

It's almost time to start making those delicious peanut butter and coconut cream eggs. If the weather cooperates, we should have some ready for sale after worship on Sunday, March 5th. Stop over to the Fellowship Hall following the service to purchase some at just \$1 a piece.

Orders will be taken starting today and continuing through Sunday, March 5th, for homemade soup. Varieties for sale are chicken corn, chicken rice, ham & bean, and vegetable beef. Cost is \$7 a quart. See a member of the team or sign up on the sheet located in the narthex. Soup will be ready for pickup on Wednesday, March 15th.

If you've started your spring cleaning and found "treasures" you no longer want, you may donate them to the Faith Walkers. All donated items should be in the Fellowship Hall no later than Thursday, March 16th. We will be having an indoor yard sale on Saturday, March 18th, beginning at 8 a.m. Other teams from the Mid-West Relay will be here as well offering various items for sale. A lunch stand will also be available. (Treasures not sold will be held for the Blueberry Festival Yard Sale.)

**TECHNOLOGY UPGRADES**

We recently had some technology upgrades performed in the building. This was necessary to some hardware aging and causing problems. The upgrades included a new data storage device that runs quieter (hence the lack of the buzzing noise in the hallway) as well as an improved Wi-Fi/network system making it easier to access the network from almost anywhere in the building. With this upgrade it will now be necessary to log-in to the network for Wi-Fi access. The network name is PaxtonvilleUMC and the password is churchwifi\$ (selected by the installer, not by us ☺).
