DECK THE HALL

P.B., here! It occurs to me that many families have Christmas traditions, and many of those involve particular items or collections. For us, it's decorating our tree with ornaments collected from vacations covering the last twenty-six years; and displaying a number of nativity sets (I'm pretty sure we have more than a dozen), most of which have significant sentimental value, like the one my parents bought in Israel, the one from a dear friend after she passed away, and the handmade one a friend spent many hours making. What's yours? I'd love to see your collections and sample your traditions, and I'm thinking others would as well, so we're going to try "A New Christmas Tradition: Gather the Past & Enhance the Present." What we're going to do is set up tables in the fellowship hall that you can cover with a table cloth and decorate how you want to show-off your personal collection or tradition. This is scheduled for Saturday, December 15 from 5-7 and will be open to the public (invite your neighbors!). We will also have music and refreshments. If you are interested in participating, just contact the office to reserve a half or whole table.

OFFERING ENVELOPES

Please contact Lyn Levan if you want Offering Envelopes for 2019 & don't already receive them. You do not have to be a member to use our envelopes. People that have been using the envelopes - if you wish to change your status (no longer receive them, or combine family members) please speak to Lyn. With the new membership software being installed, Lyn will need to know any changes or need of new envelopes by Dec. 2nd!

LETTER WRITERS NEEDED

I need people to help write "open when" letters. In November, we will be putting together college care packages. We will need people to bake cookies and write "open when" letters. They should write on the envelope of the letter "open when" (along with the subject) you are feeling anxious, alone, sad, etc. then enclose an encouraging letter for that occasion. Please put letters in Penny Rudy's mailbox.

BAPTISM

Today we have the privilege of welcoming Katherine Kay Howell into the Body of Christ through the Sacrament of Baptism.

James 2:14, 17-18, & 26 (CEB)

My brothers and sisters, what good is it if people say they have faith but do nothing to show it? Claiming to have faith can't save anyone, can it? In the same way, faith is dead when it doesn't result in faithful activity.

Someone might claim, "You have faith and I have action." But how can I see your faith apart from your actions? Instead, I'll show you my faith by putting it into practice in faithful action. As the lifeless body is dead, so faith without actions is dead.
