UNITED METHODIST CHURCH

Welcome to the PUMC Resource Library. The following category list includes some of our more popular authors and titles, but by no means reflects all the materials we have available. Feel free to visit the library during regular church office hours, before and after worship services, or arrange a special time by contacting us via phone or email. There is a convenient sign-out sheet posted by the shelving. We simply ask that anything borrowed be returned to its proper home in a timely fashion. Thank you.
